

# GIVING TUESDAY

SUPPORT  
ADVOCATE

## LOVE WHAT WE DO? JOIN OUR TEAM!

Nov 21 - Dec 5

This giving season, we need avid supporters and generous donors just like you! The process is quick and easy. Simply create a Facebook fundraiser on behalf of Reach and Teach and use the attached media kit to show your support for this life-changing program.

These two simple steps will earn you a free Reach and Teach support advocate merch package and a personalized appreciation post.

We absolutely could not do this without you.  
From the bottom of our hearts to the tips of  
our toes, we thank you!

## STEP #2 SIMPLY, COPY AND PASTE... OR WRITE YOUR OWN.

During this season of giving, I invite you to support an organization that changes young lives, one concert at a time! Reach and Teach is a nonprofit 501(c)3 with a mission to provide passion and confidence to all students through the unconventional collaboration for education and entertainment. Through participation, students gain real-world experience, develop essential life skills and explore careers they may have never known existed.

I wish I would have had this when I was in high school...

Please join me in supporting this life-changing organization.

Reach and Teach is an education nonprofit 501(c)3 providing the opportunity for high school students to plan, promote and execute a real concert on their school campus. Through participation, students gain real-world experience, develop essential life skills and explore careers they may have never known existed.

This year, we plan to match donations up to \$\_\_\_\_\_. Please join me in supporting an organization founded right here in Alabama. Reach and Teach has directly impacted over 6,000 high school students in 163 classrooms across the US.
