# EXPLORATION GAME

Cut the following career criteria into strips. Fold each paper strip and put into a bowl. Have each student draw a strip of paper containing one career criteria out of the bowl. Instruct students to find a career matching the criteria. The first student to find details (Average Salary, Required Education/Training, Duties, etc.) of a career matching their selected criteria wins! The winning student must share details (Average Salary, Required Education/Training, Duties, etc.) of their career. Repeat the activity and keep score. Each win = 1 point. The student with the most points at the end of the game, wins a prize!

## Career Criteria:

Career that begins with the letter "A".

Career that ends with the letter "L".

Career that has five letters in its title.

Career that requires you to work in a forest.

Career that requires you to work in an ocean.

Career that requires you to work outside of the United States.
